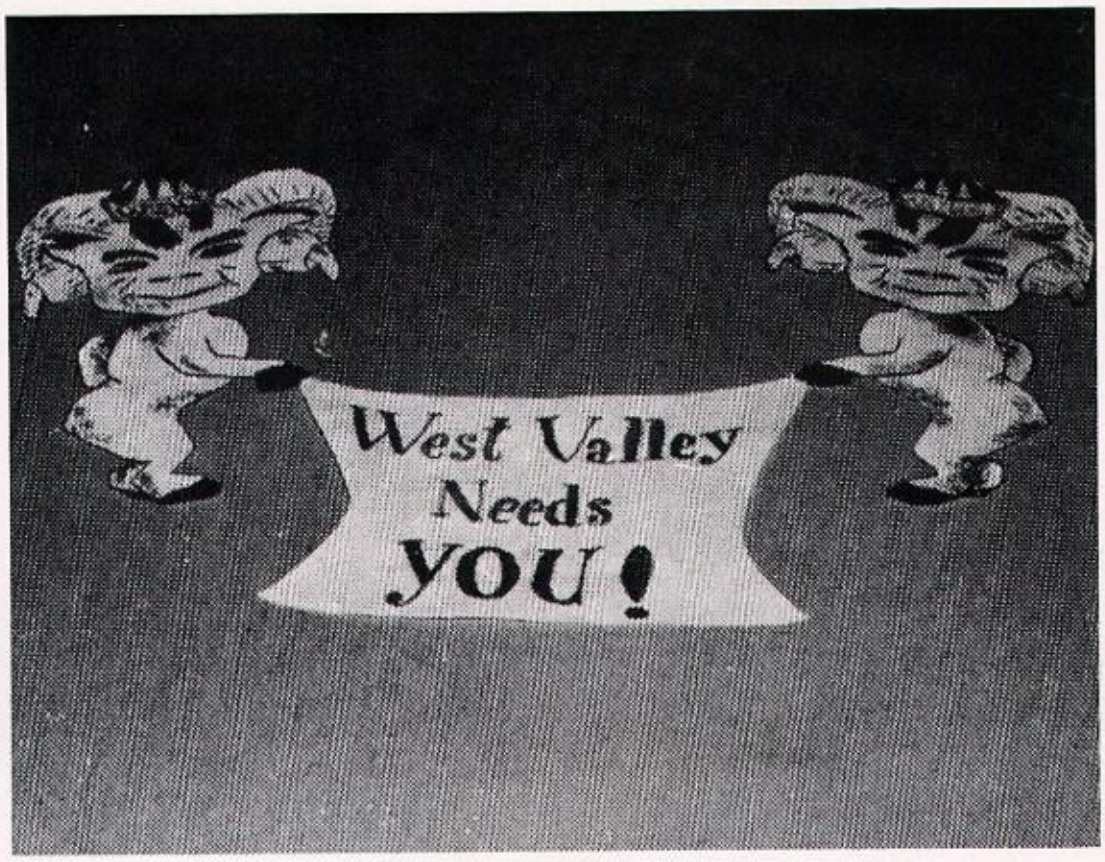
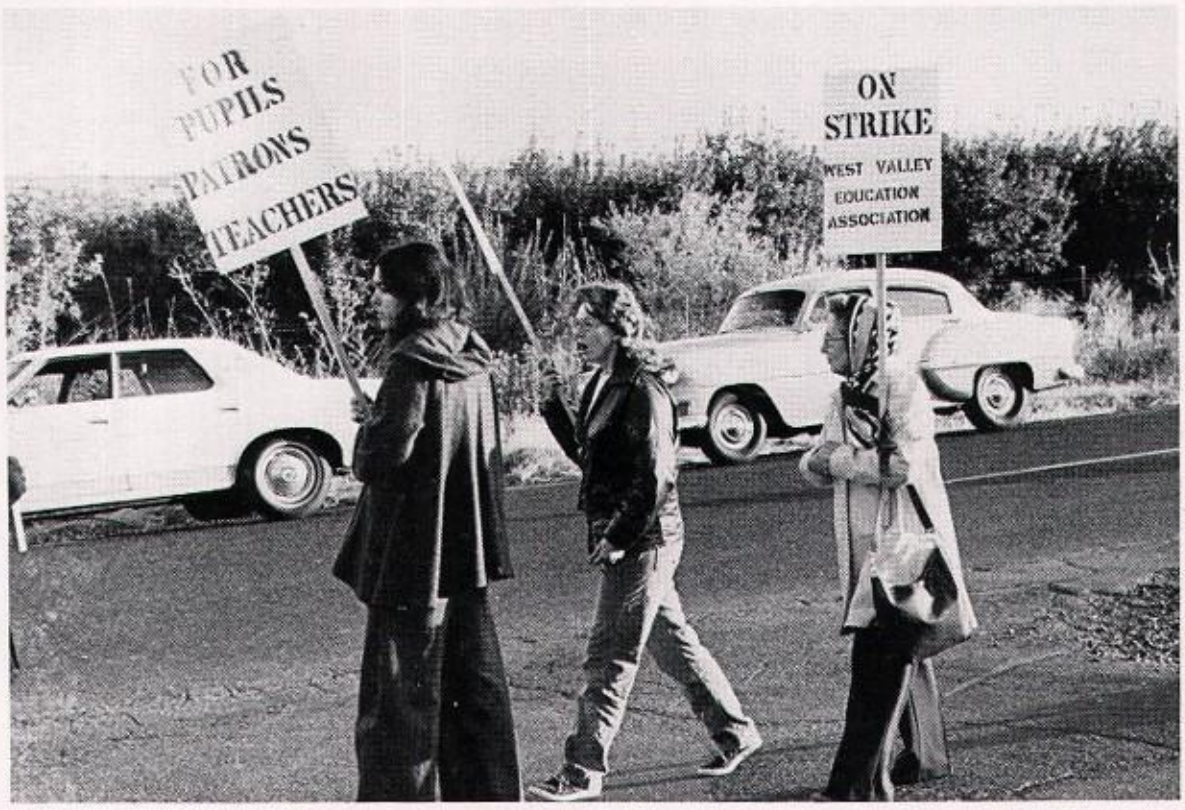
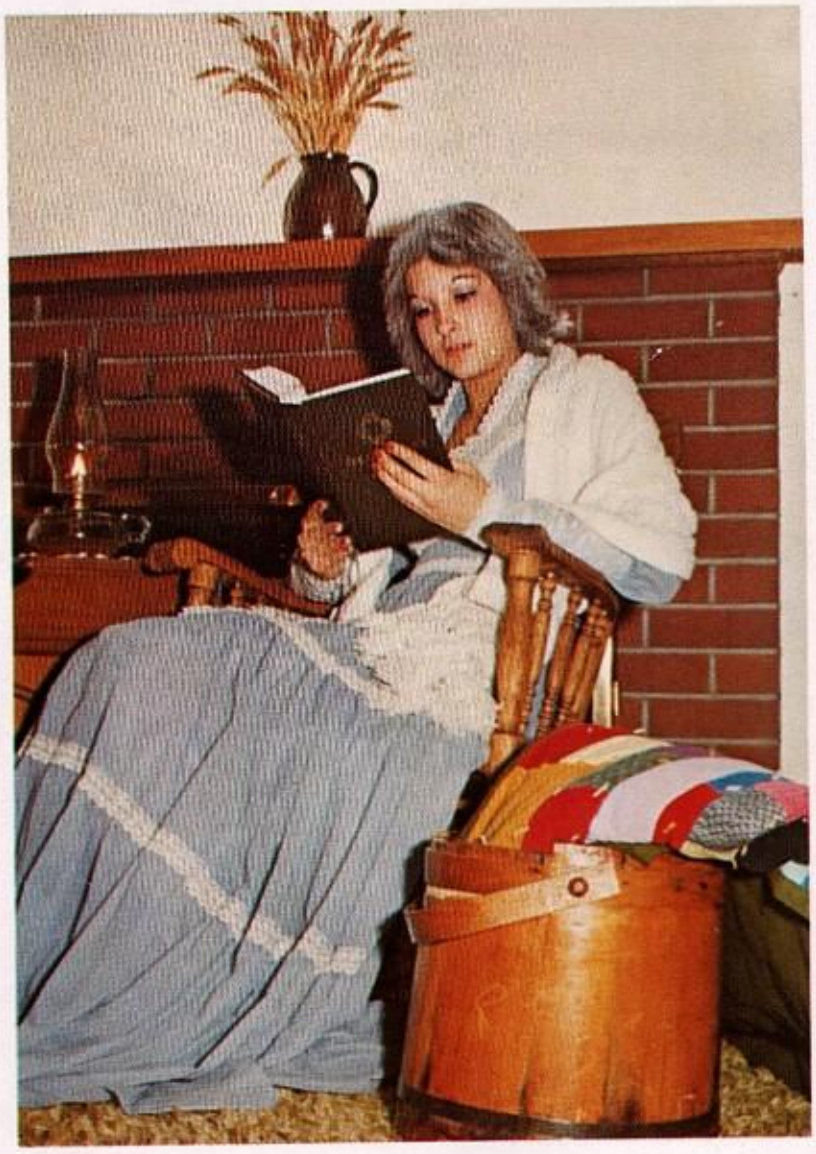
Volume 21

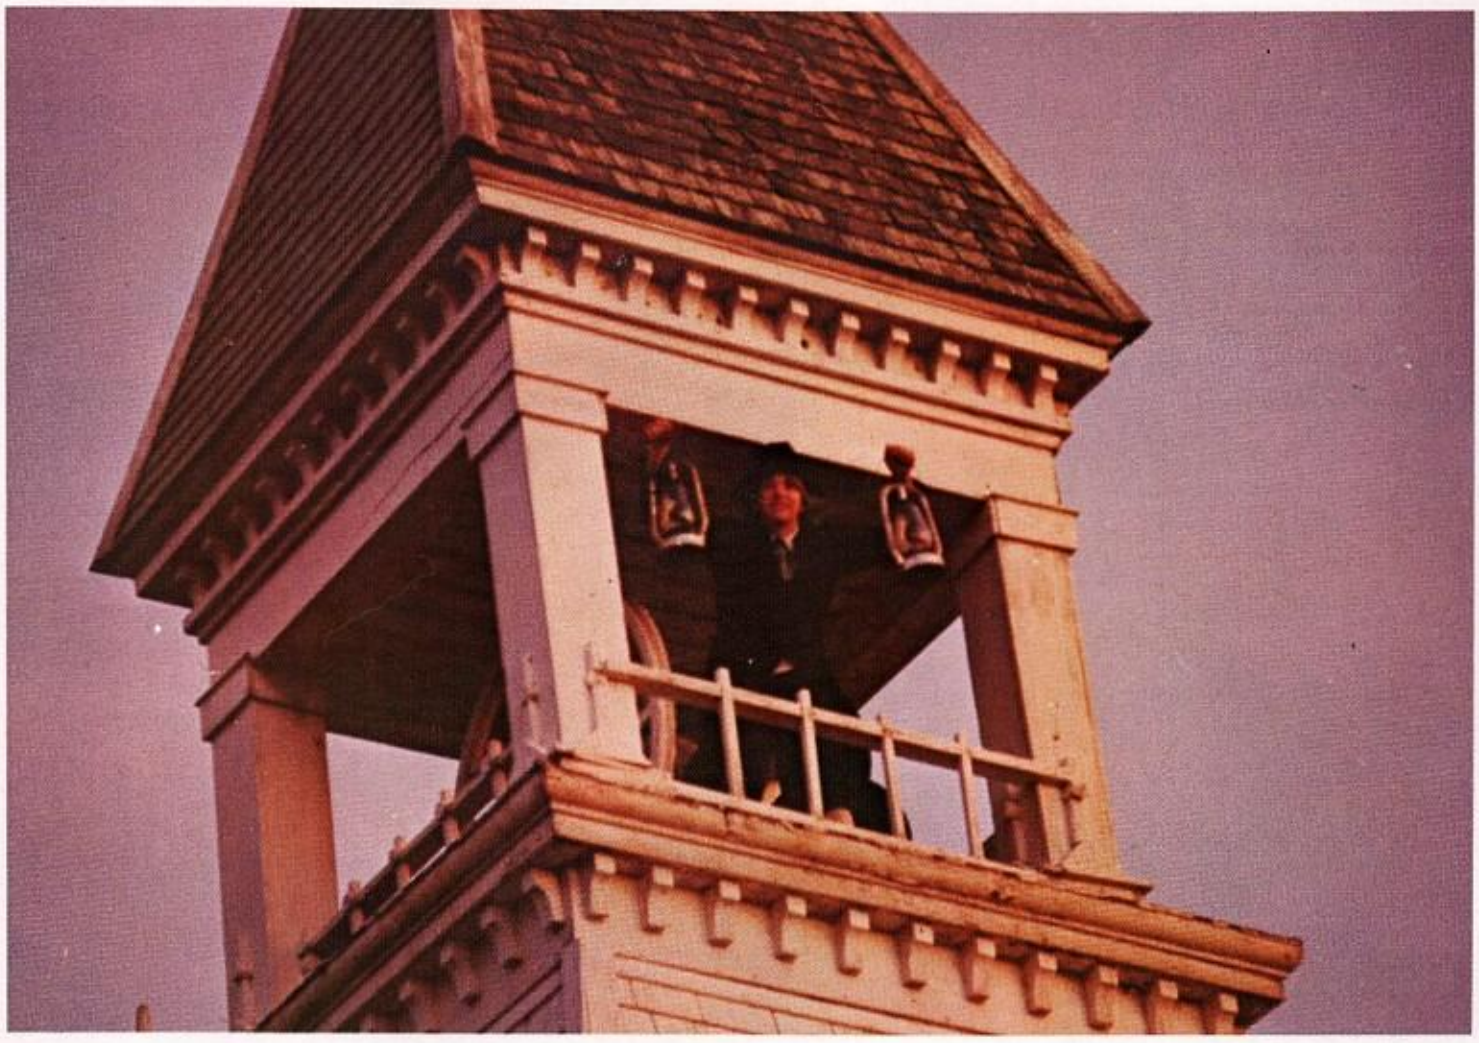
Our country, with its glorious 200 year history, rises above all others in its accomplishments and progress. As Americans we can be proud of what our forefathers have done to set the stage for our chance to contribute.



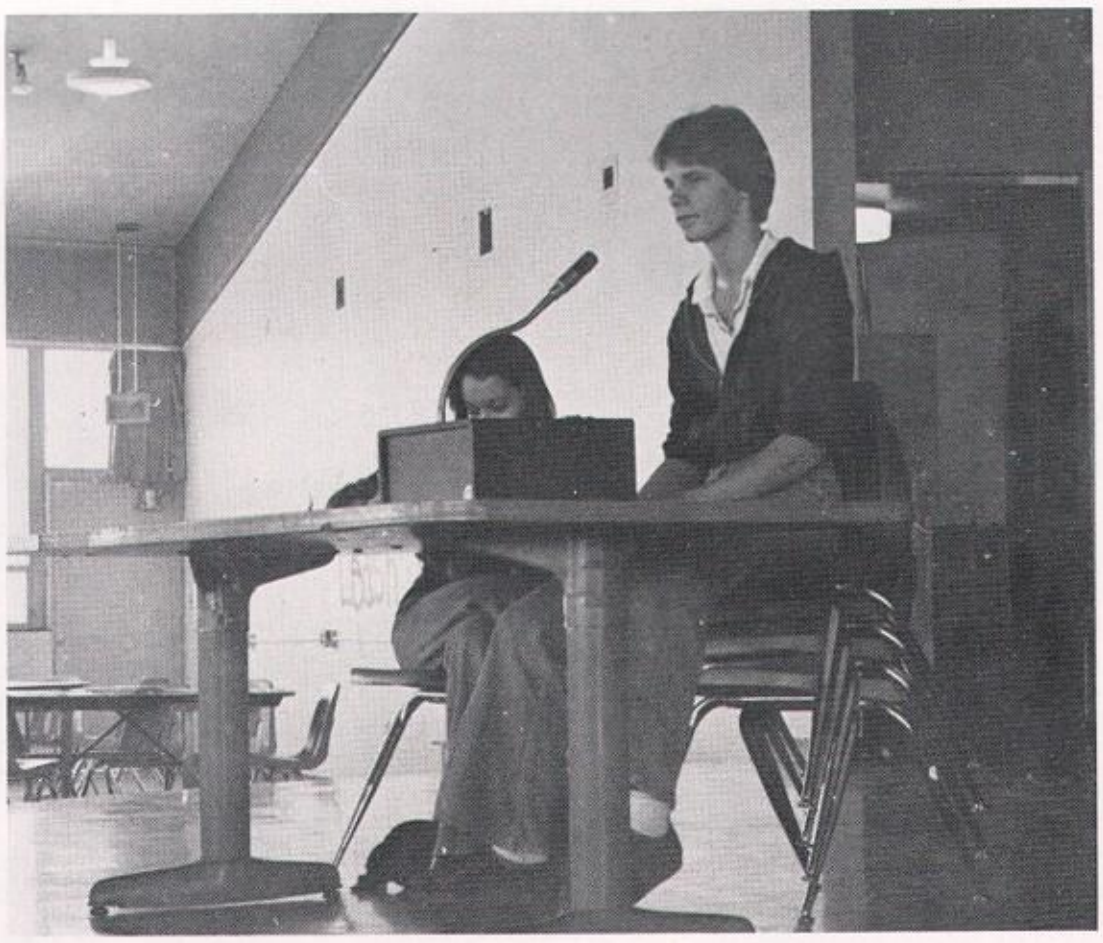


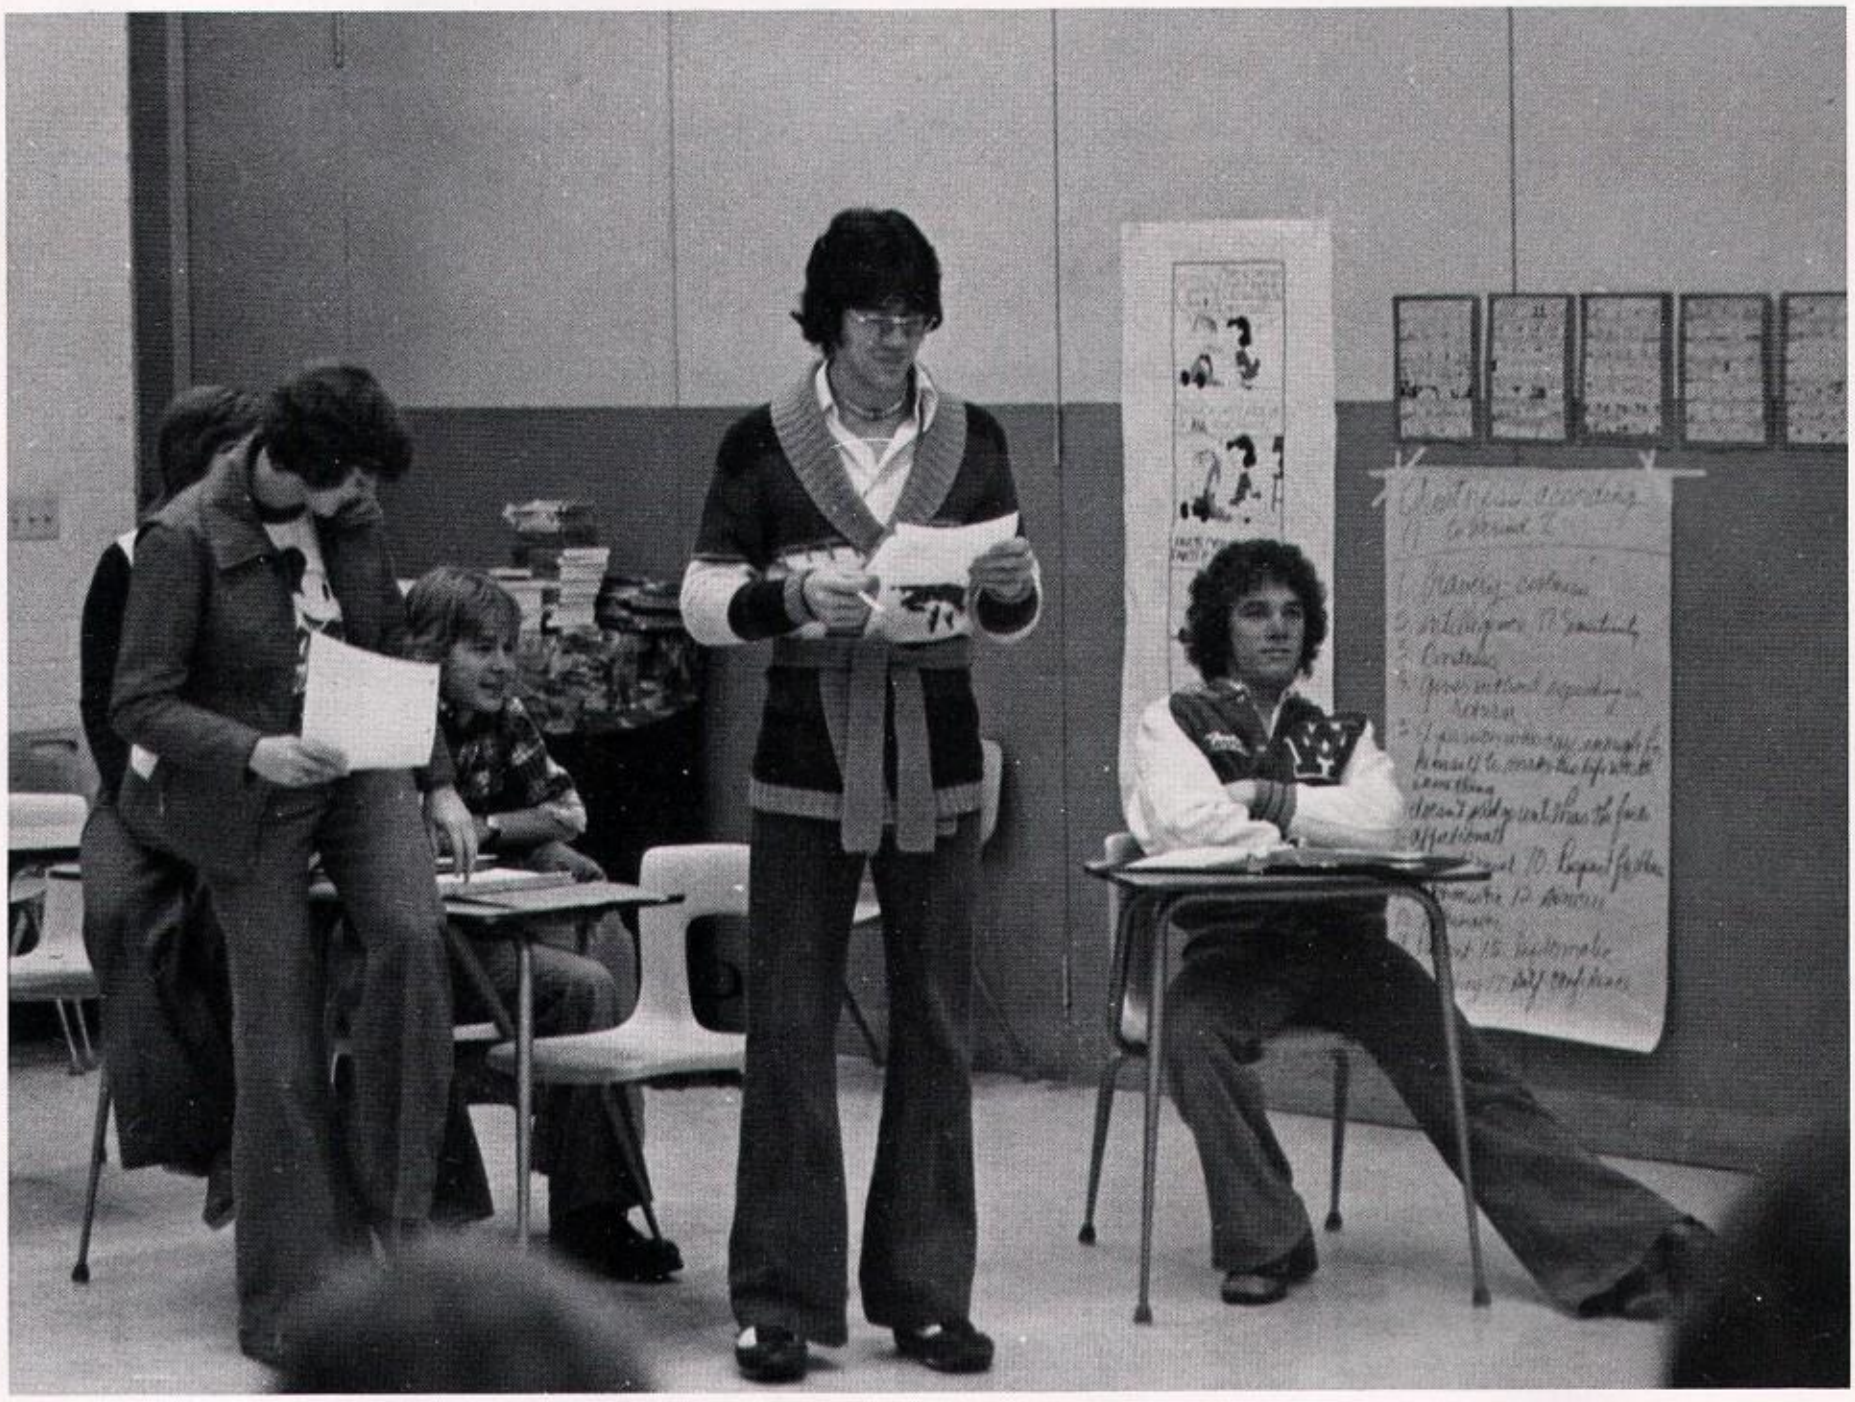
While America celebrates its bicentennial, West Valley High School will be celebrating twenty years of achievements and progress, shared by all those involved.

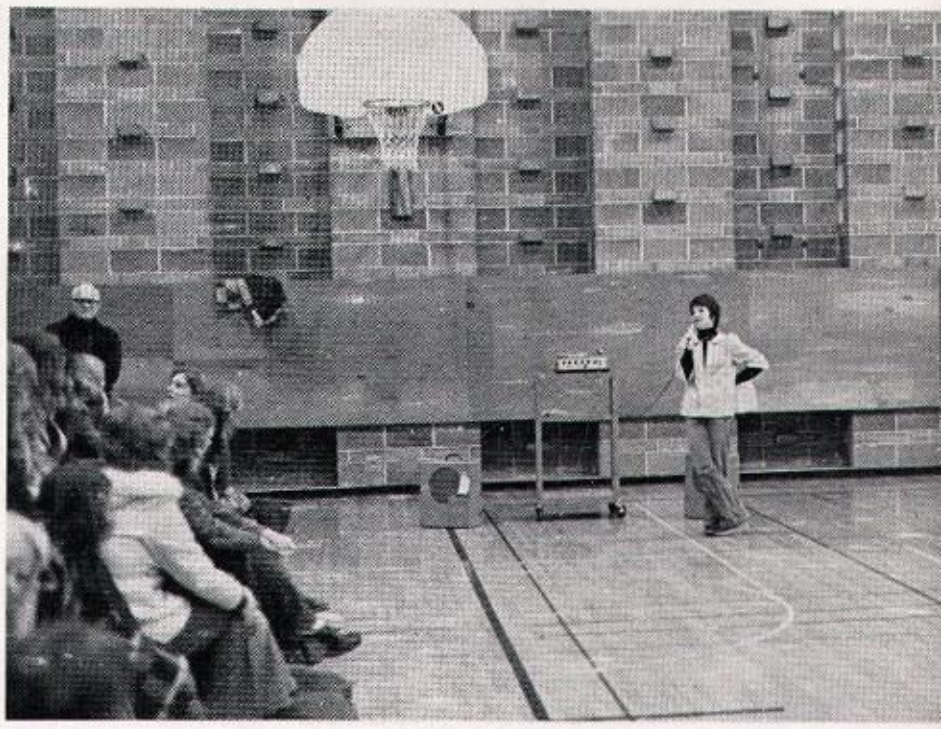


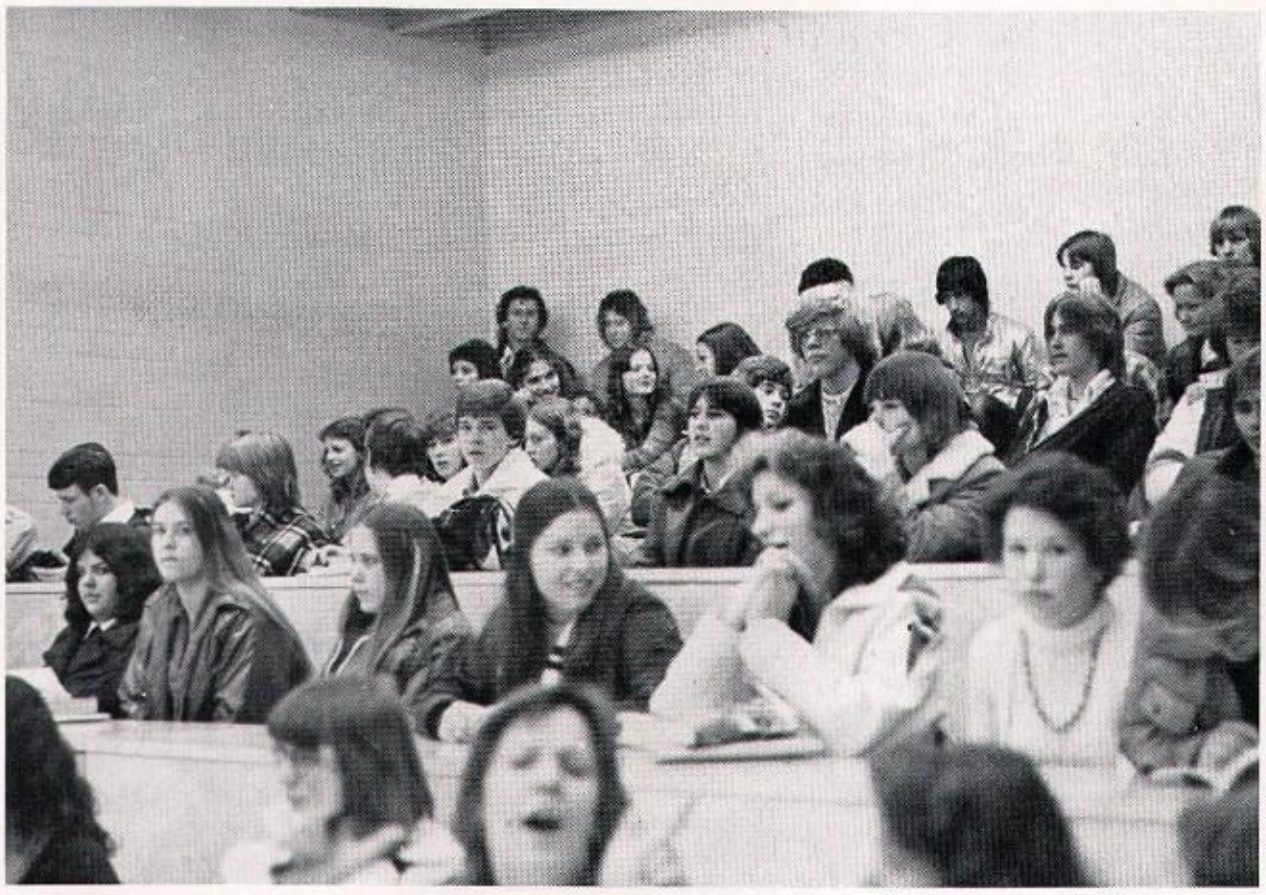


Ours is a school made up of real people, with concrete ideas and voices worth listening to.

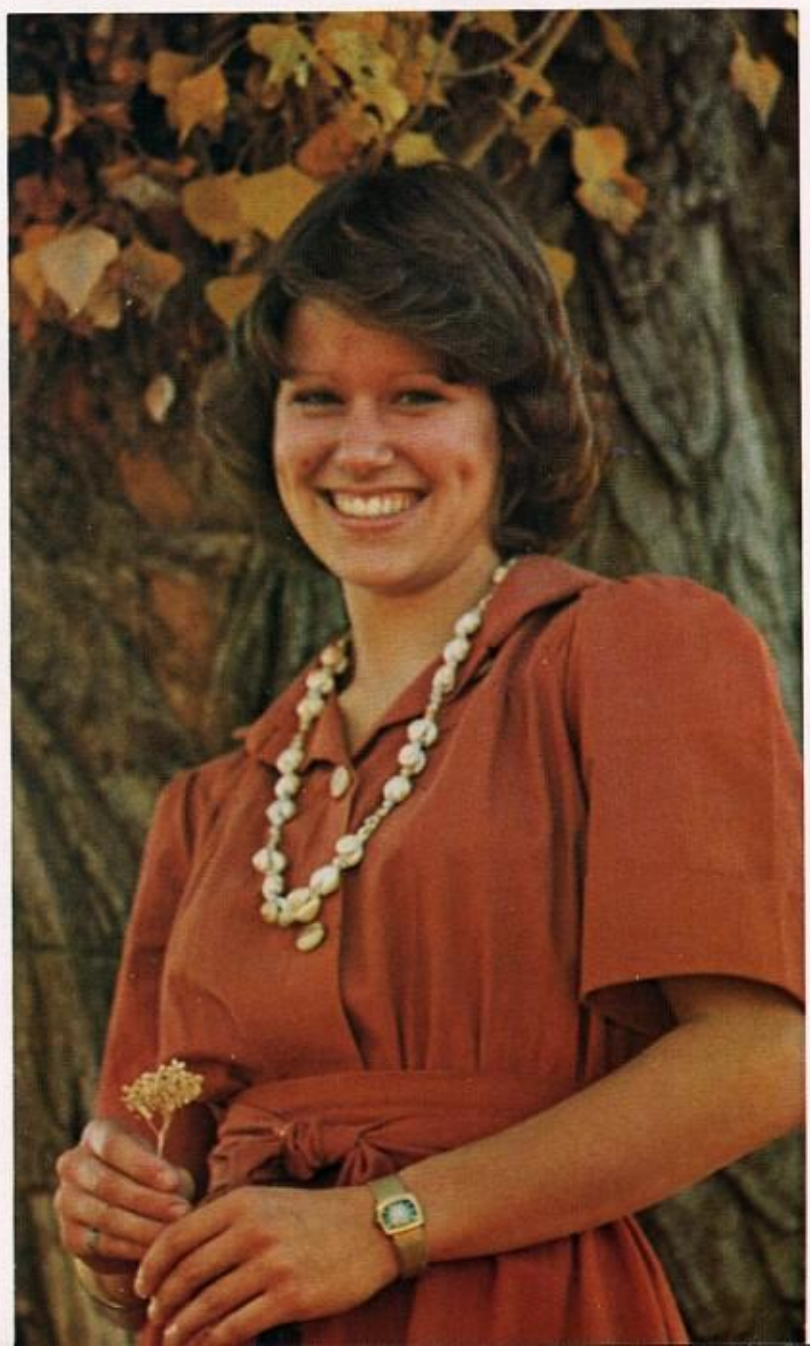


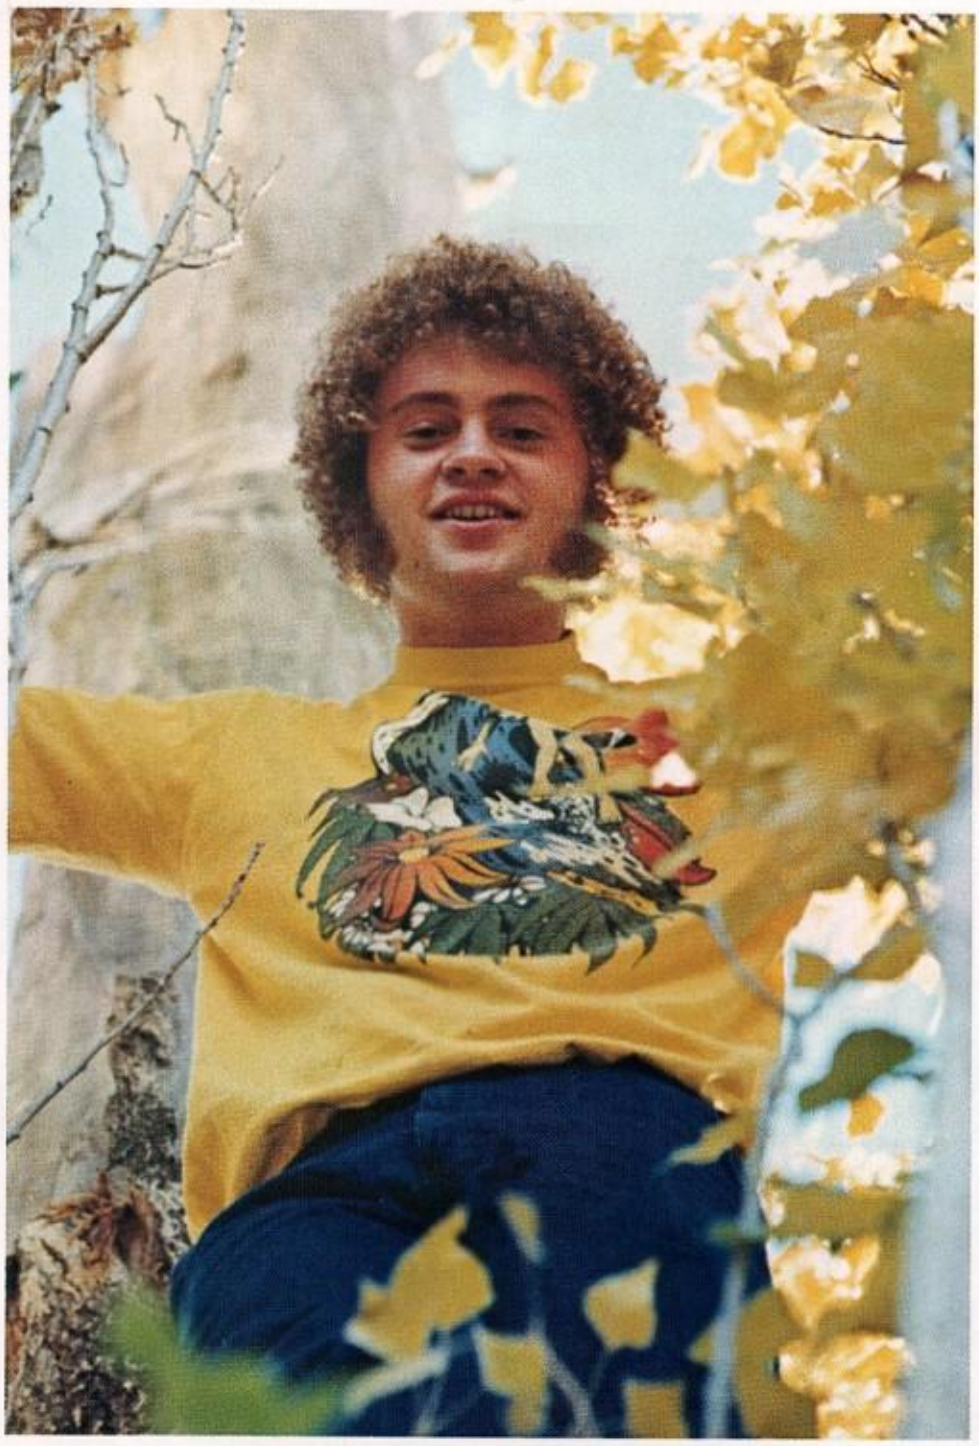


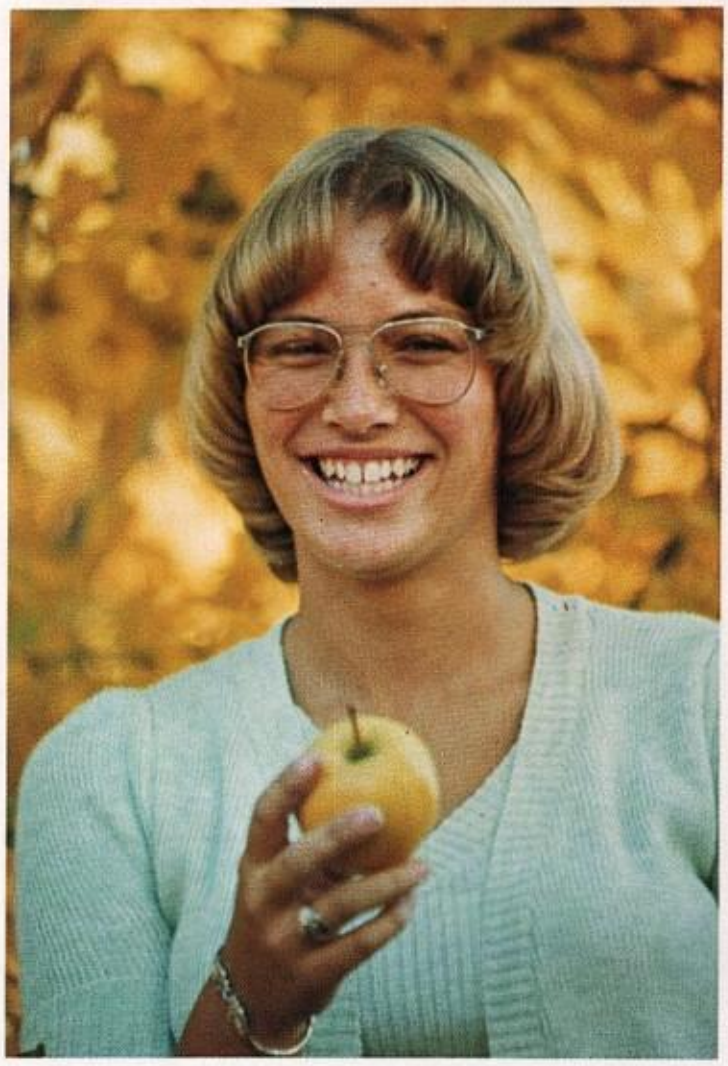




We as a student body, have developed a sense of leadership, and although we are made up of individuals, we have learned to work together.

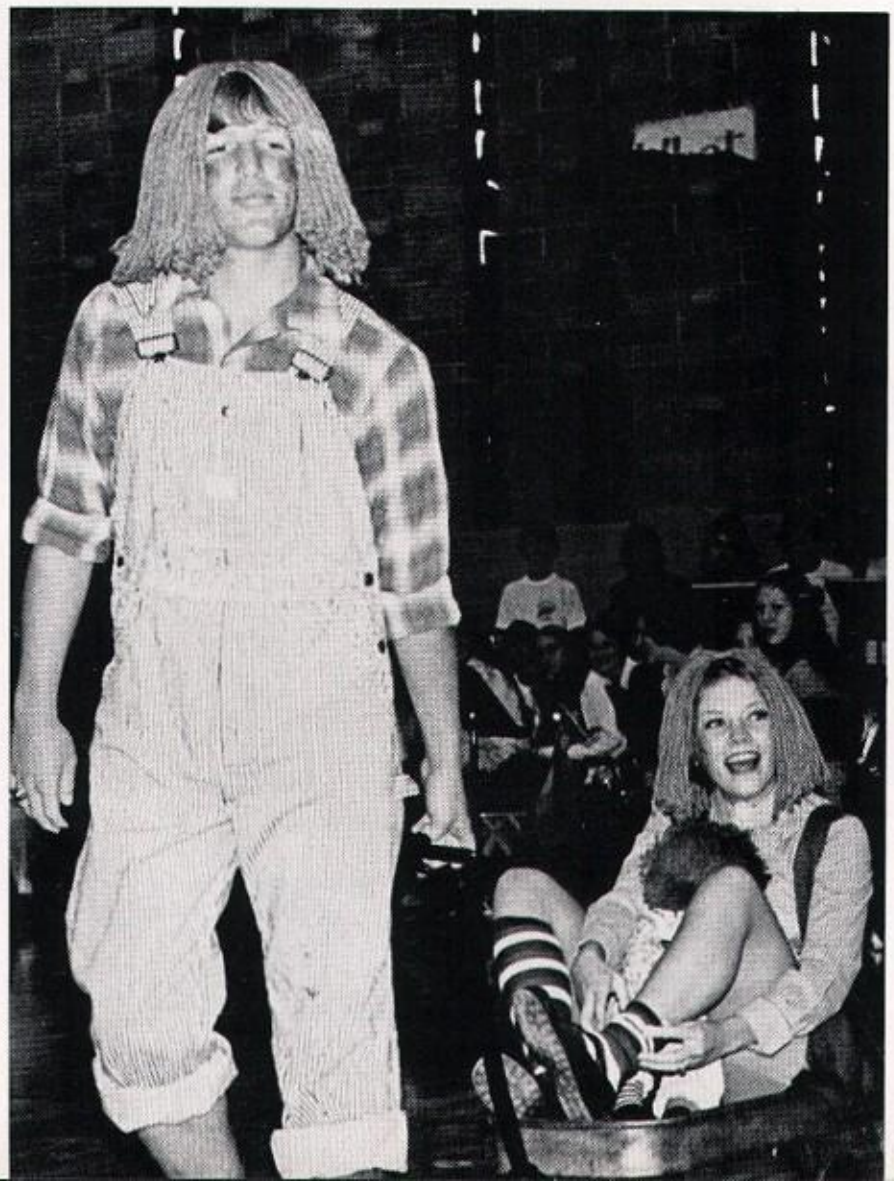


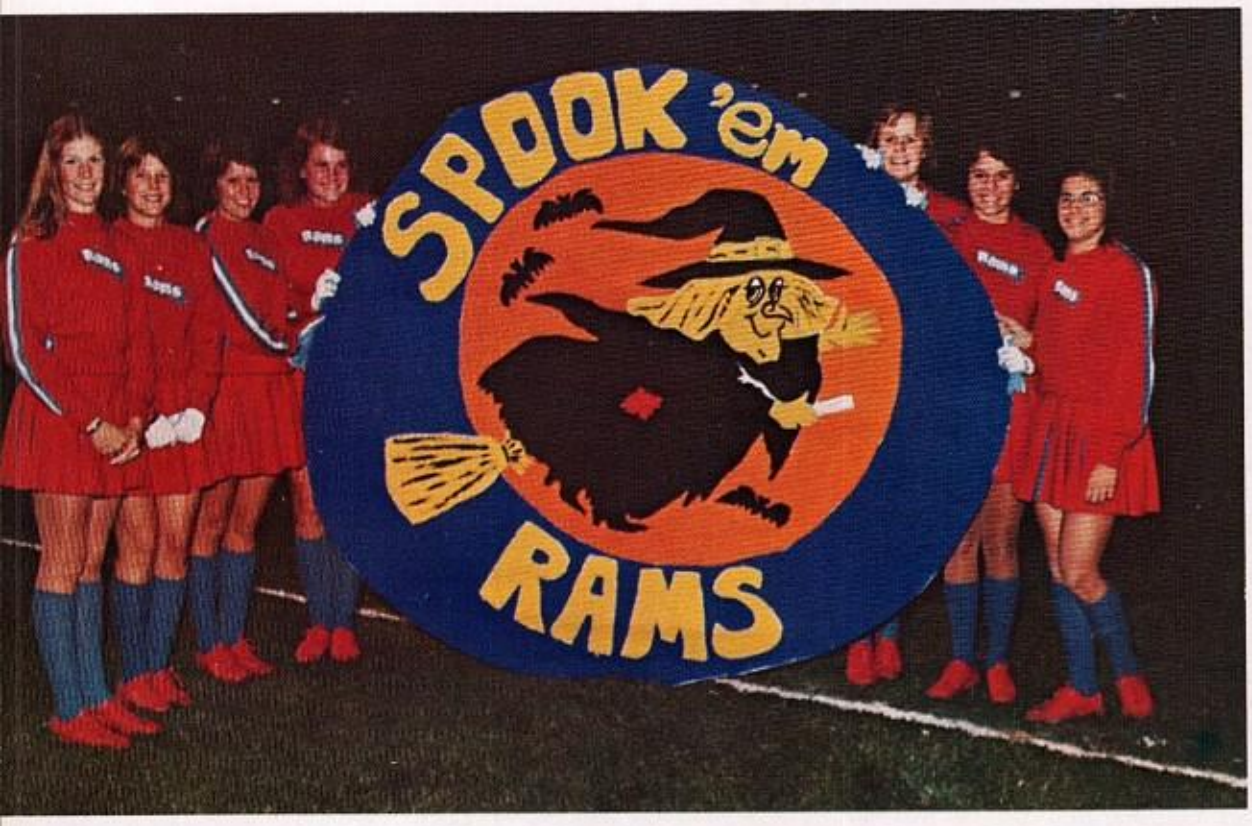


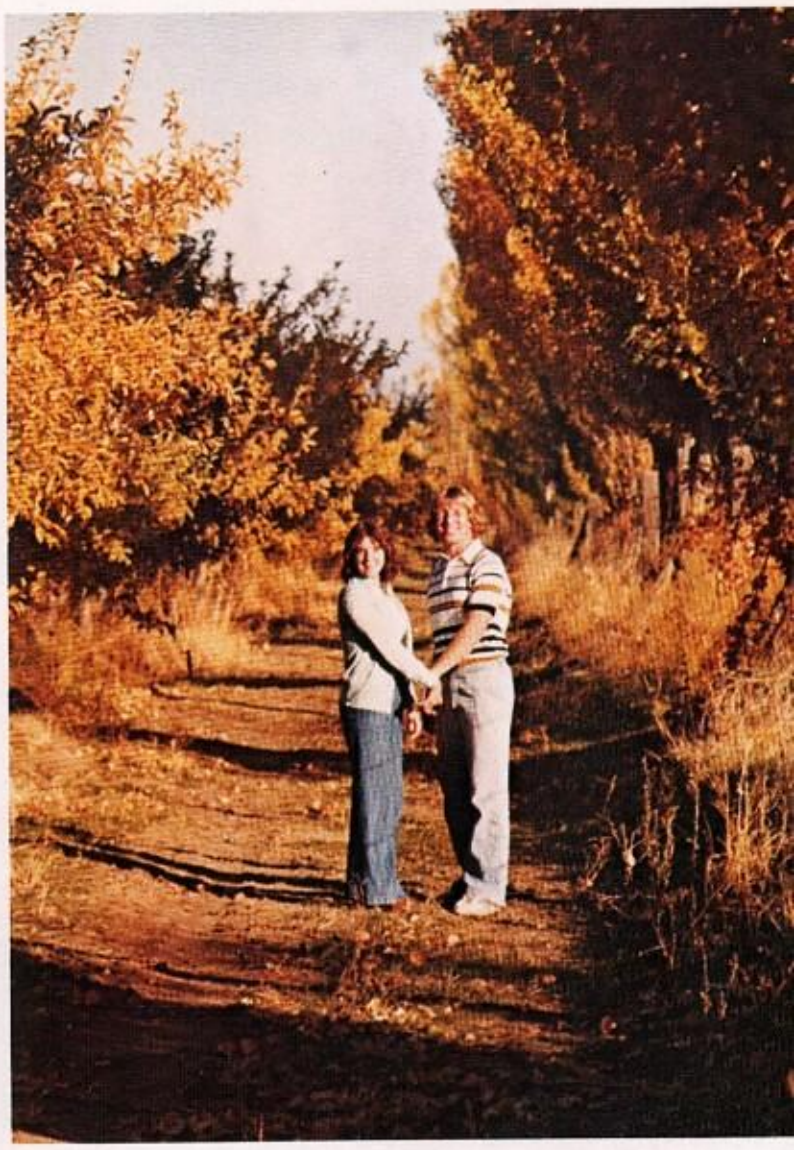


In the beginning the challenge was great and a remote thought, but our independence has grown since then through a revolution.

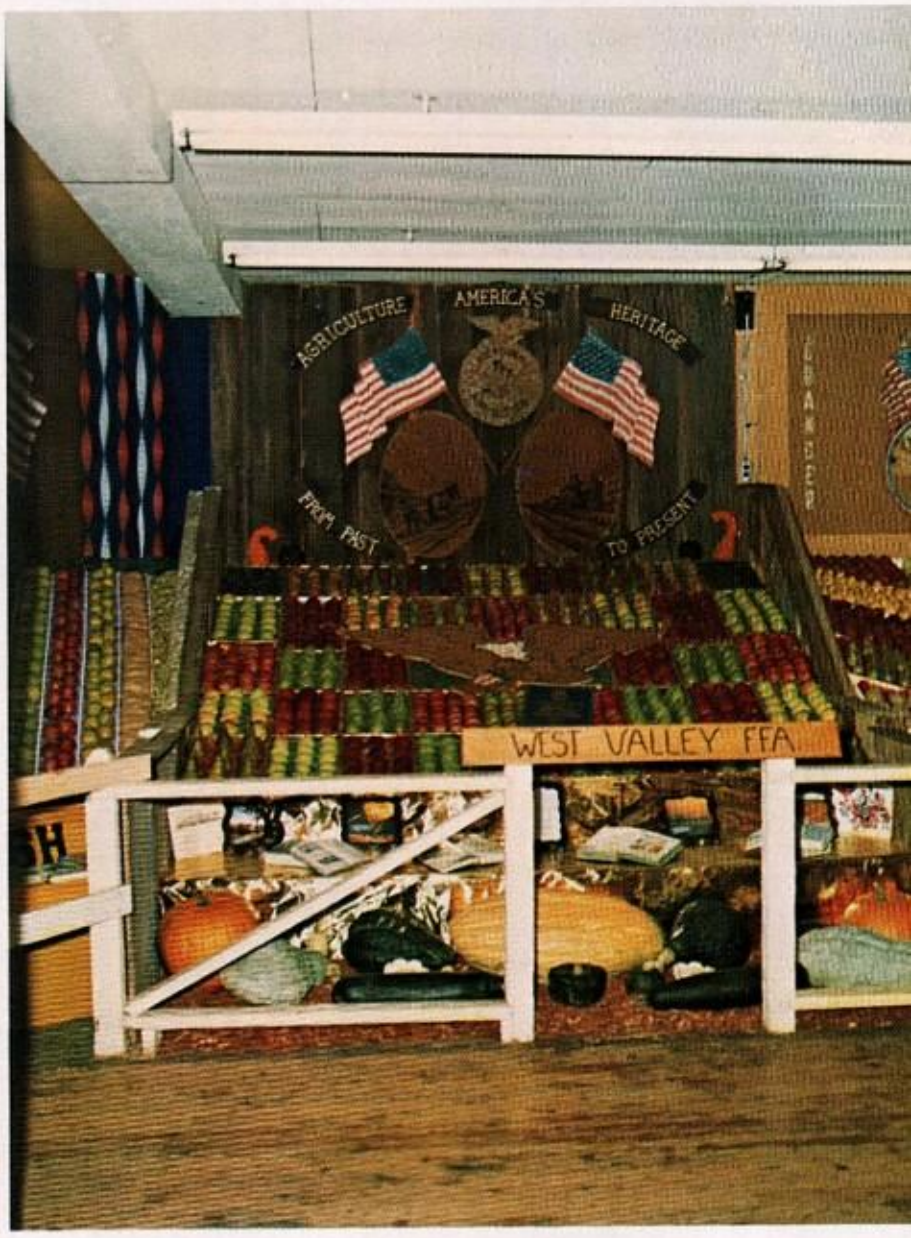
Not a revolutionary war, but a revolution of school spirit, pride and social accomplishments.

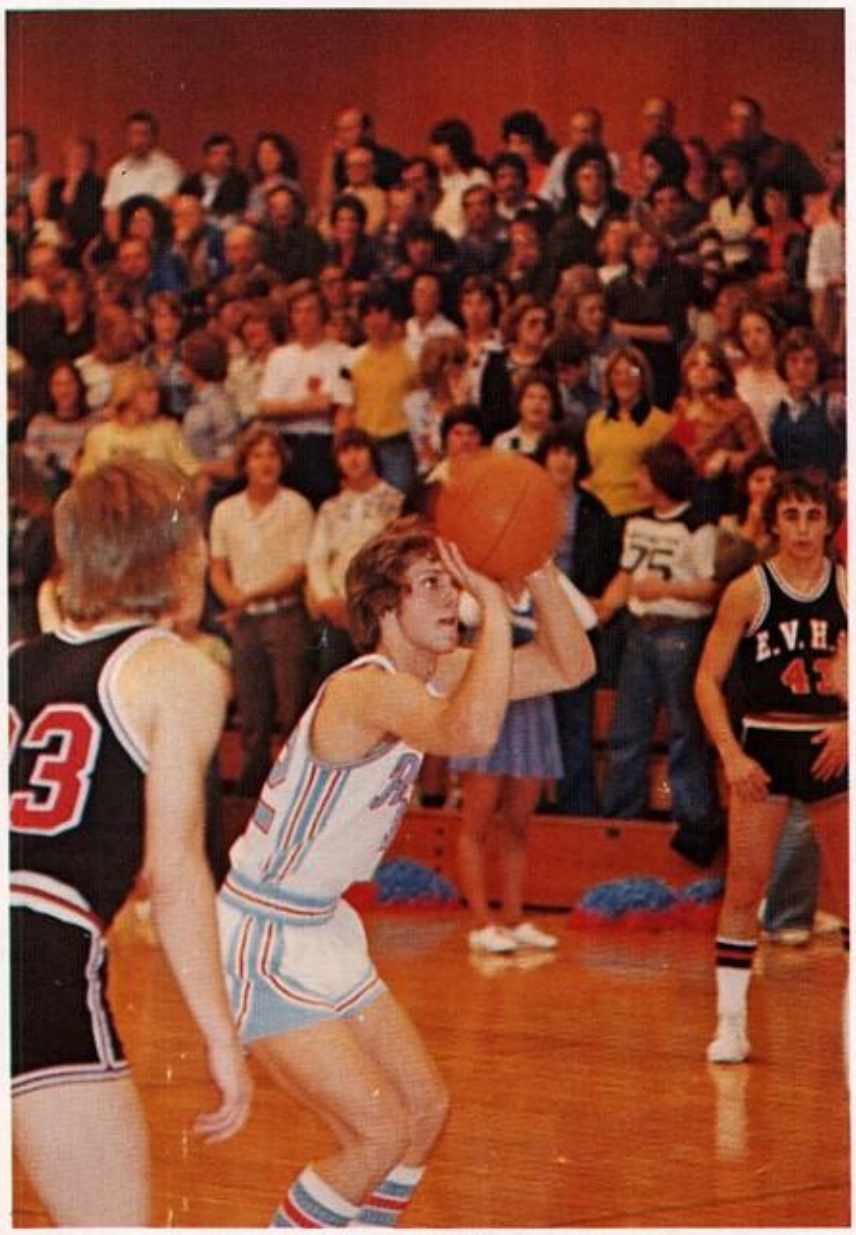






Our graduates leave behind them many memories of those friendships never to be forgotten, that special person they always had a crush on, but never had the nerve to meet, the wild pep assemblies in which their class outscreamed the others, and the cramming with their friends for that test which only the true scholars could pass. Remember the Homecoming football game win?, the second consecutive win in ten years., or perhaps the last, split second swish that could make us basketball champions.





In 1956, West Valley's first graduating class left West Valley in search for opportunities in higher business and educational fields. The class of 1976 will join the past alumni who have begun and developed their unique talents and traits within the walls of West Valley. Those students who still have a future at West Valley can be assured that wherever the future may lead them, they will be thinking of West Valley for years to come.

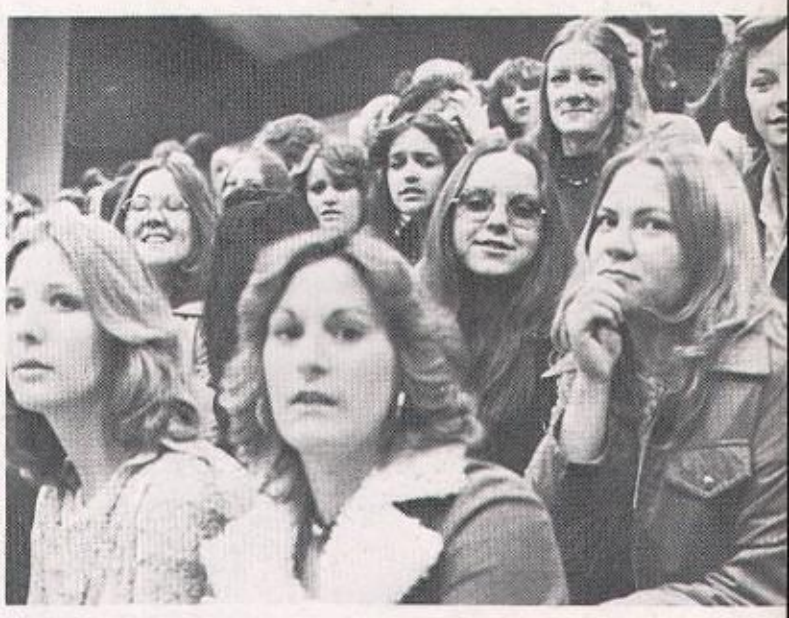
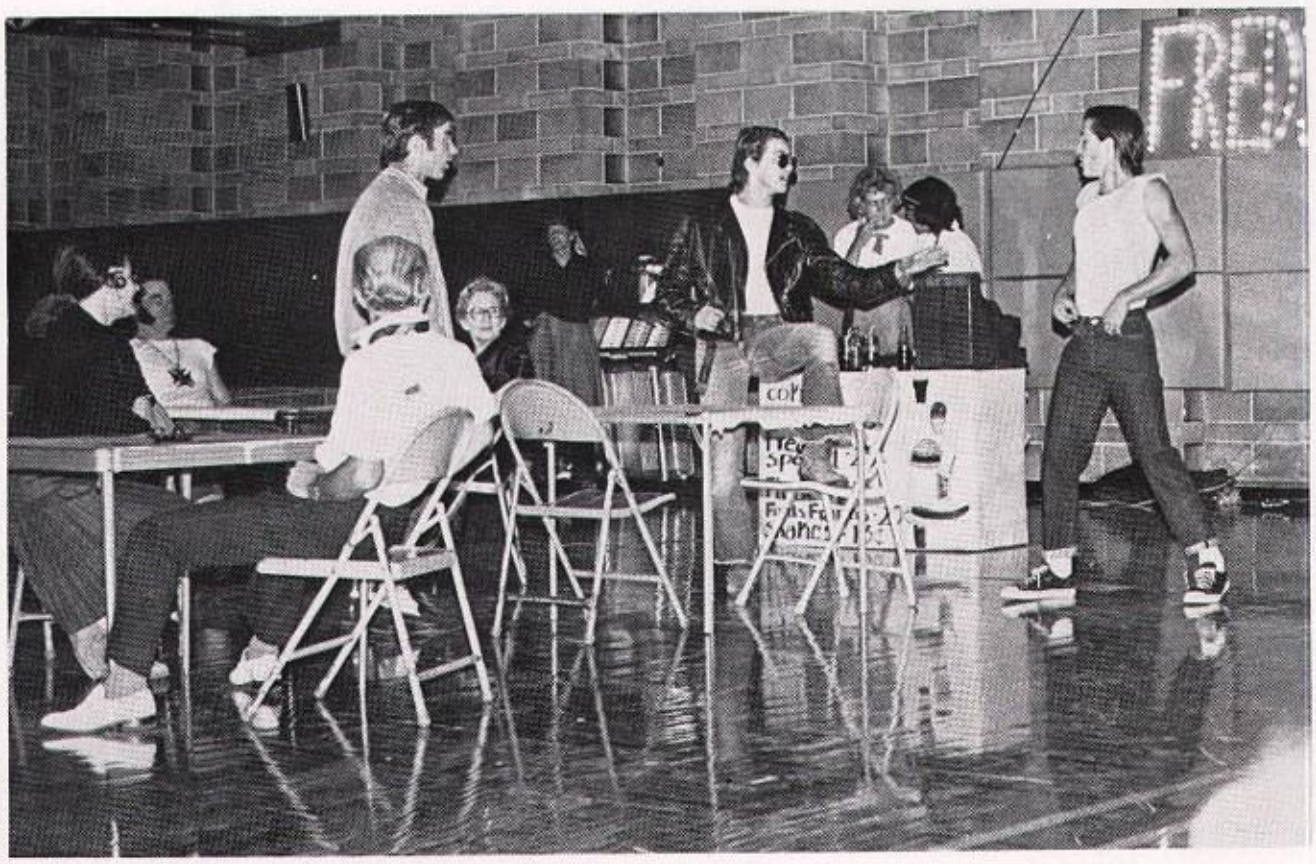
ACTIVITIES

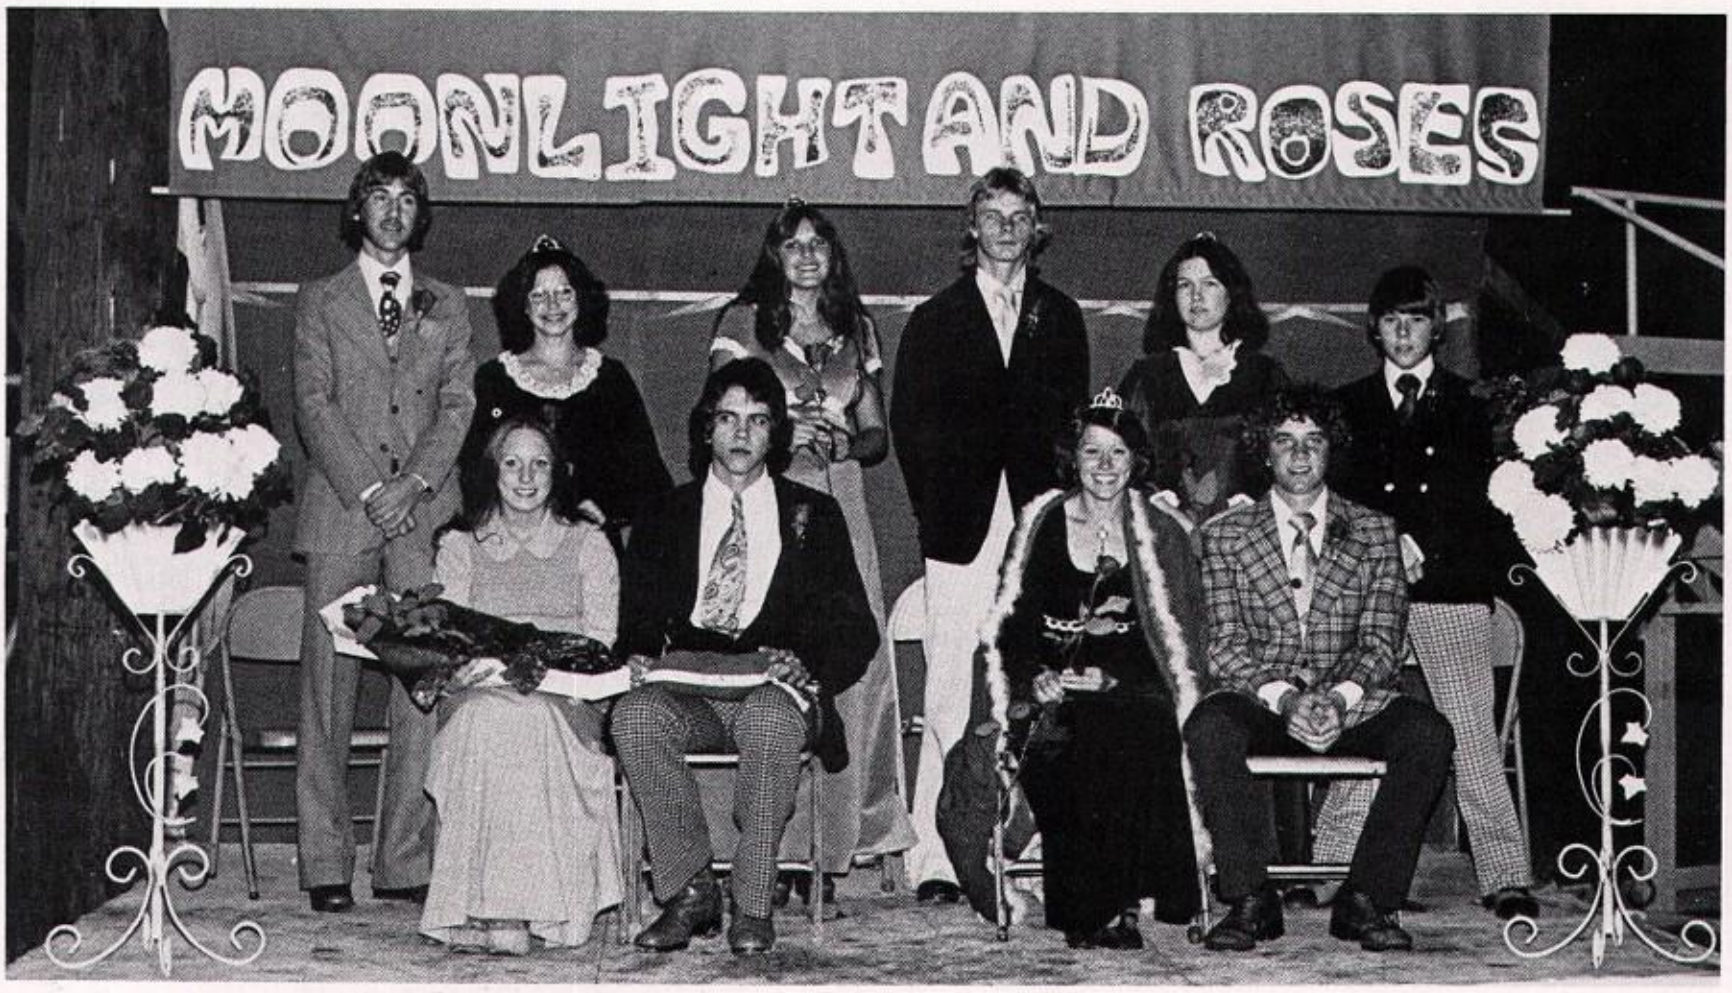


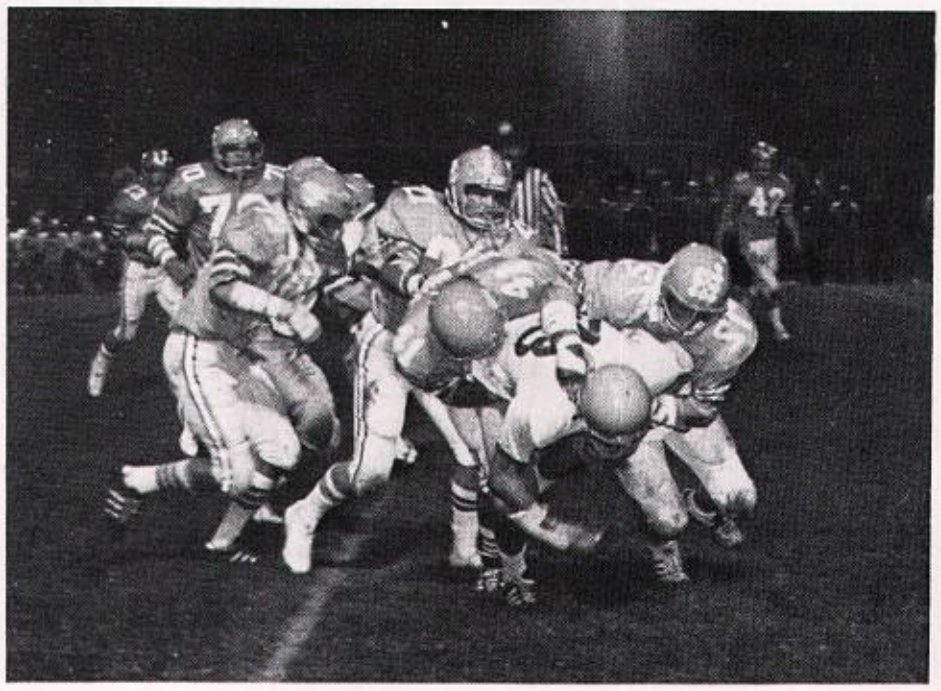
HOMECOMING WEEK 1975

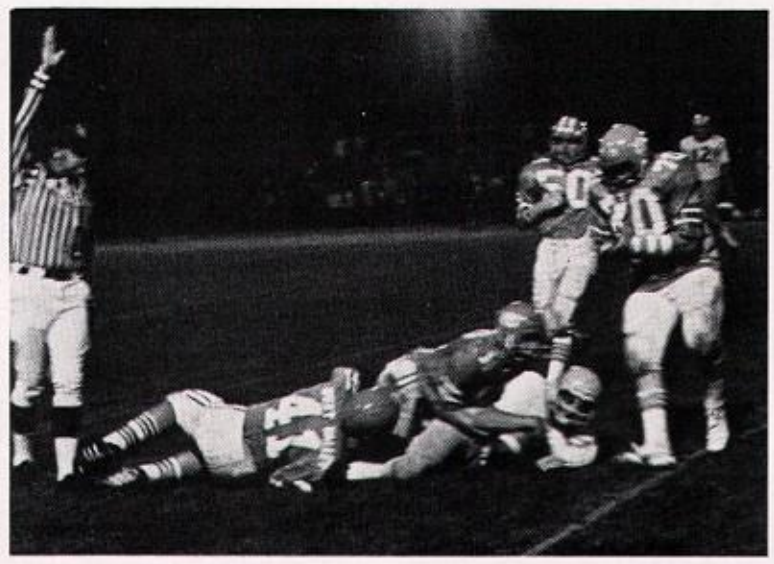
Once again the seniors triumphed over the underclassmen in an exciting homecoming week. The Juniors refused to give up the lead they had contained throughout the week, until the final moments, when the Seniors seized first place by winning the limbo. One of the most humorous events of the week was the pep assembly at "Freds". It was here that some of our own W.V. teachers joined in the fun and showed us how some real dancing is done. Our dear sweet Mrs. Paschen can still tell men where to go, when telling Mr. Grauer "Go sit on it". During the week other activities such as powder puff football and dress-up days made the entire week very exciting. I'm sure it will be a week the seniors will cherish and the freshmen won't soon forget.

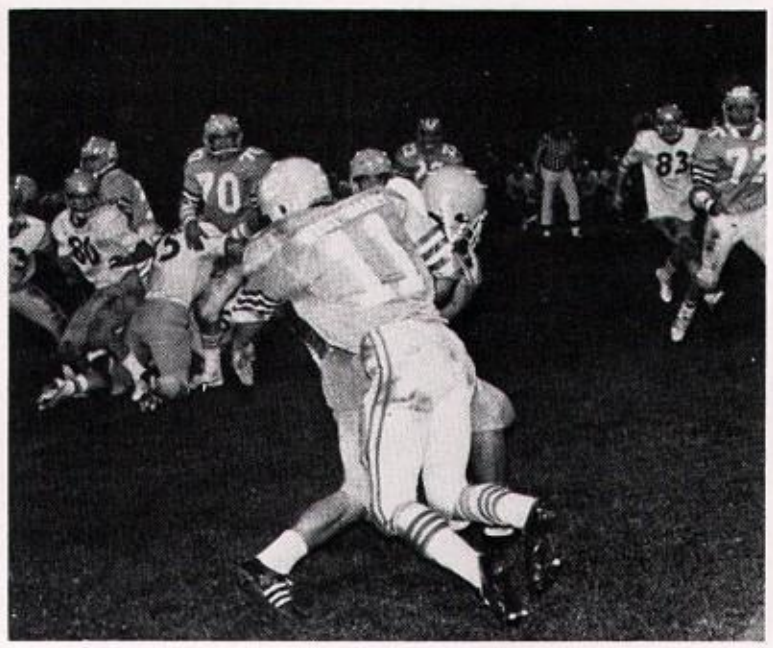


"Sit on it!"









Rams Beach Vikings
26-7

The seasick Vikings were no match for the ripping power of the confident West Valley Rams, as Friday nights Homecoming game came to an end.

Half back Karl Meier was elected defensive player of the game with 17 carries for a total of 95 yards, not to mention his 2 touchdowns. Joe Headley, offensive right guard, was awarded with 3 ram awards and offensive player of the game.

Dale Wakasugi, in his second year as quarterback completed five out of ten passes for a total of 76 yards. Dale completed one touchdown pass and ran with the pigskin to clinch the victory.

The powerful Ram defence capsized the Viks to an embarrassing 10 yards rushing.

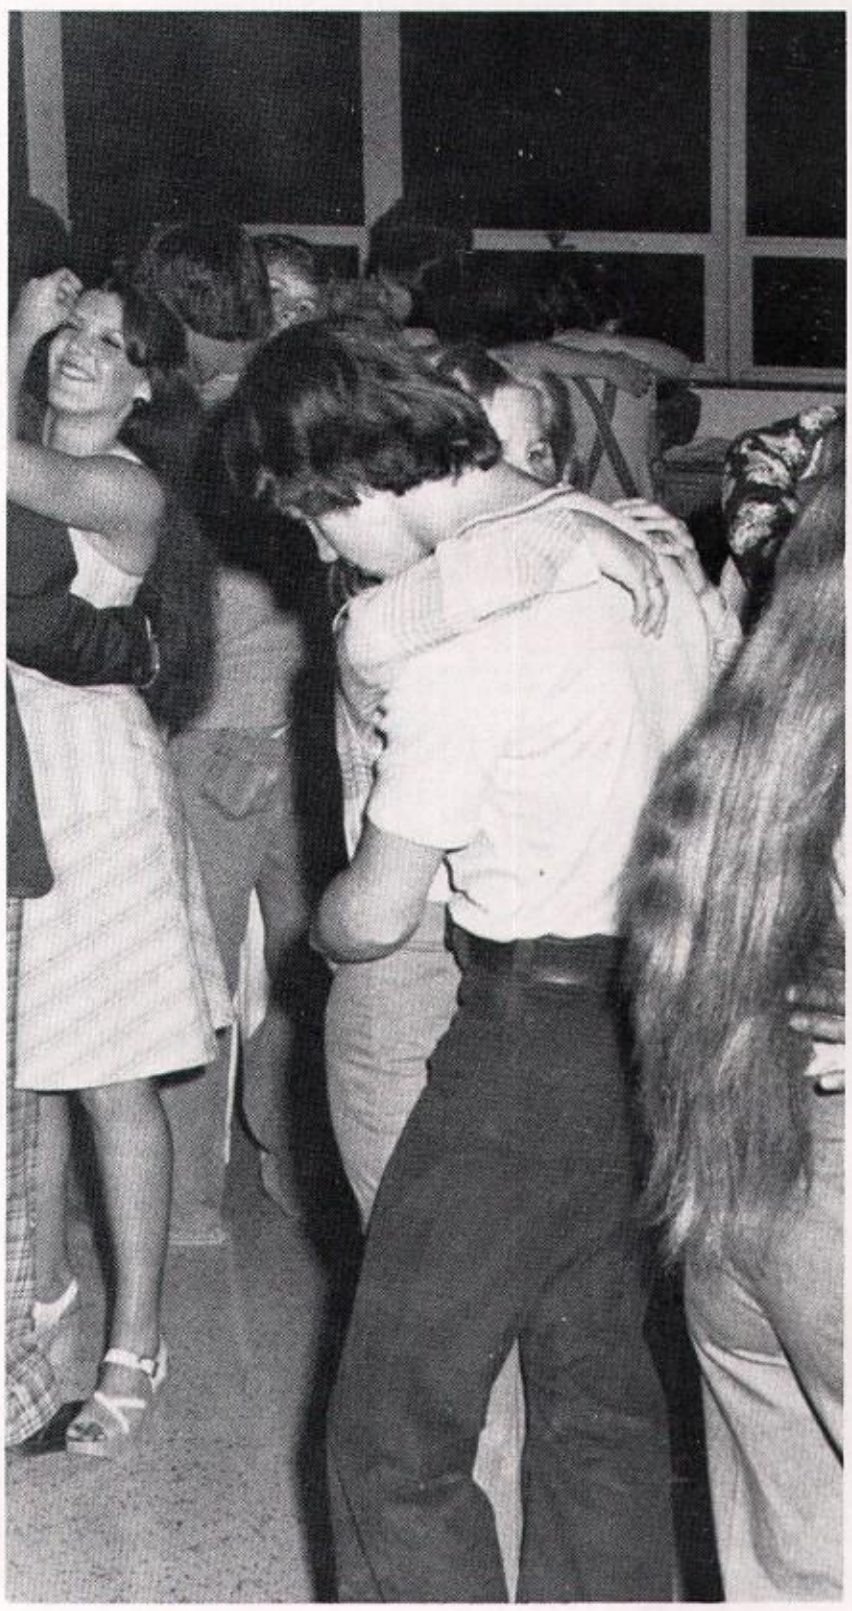
TOLO



"NATURAL HIGH" sponsored by the senior class

"Avalon" entertained this year's senior dance. Couples "hustled" and "bumped" their way through the night and occasionally made their way to the refreshments for short relaxation.

This dance was previously Mid-Winter but because of several delays in the date the senior class decided that the classification of mid-winter should change. From now on this dance will be traditionally placed in the hands of the seniors.

"Save the last dance for me" was the first full formal affair held off campus for many years. The Elegant Farmer made the perfect setting for the Jr.-Sr. Prom and the crowd enjoyed the evening away from the Roundhouse. Music was provided by Foxx.

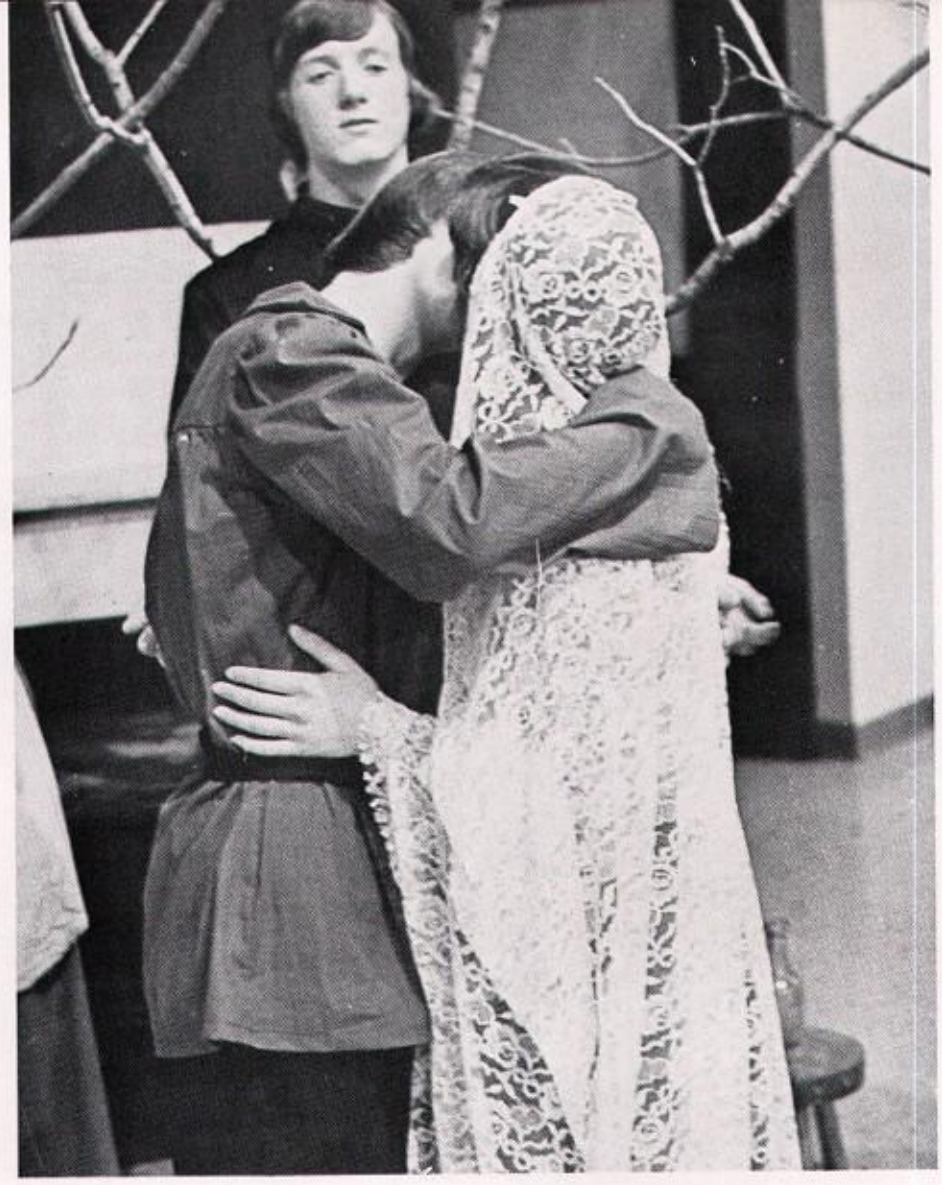
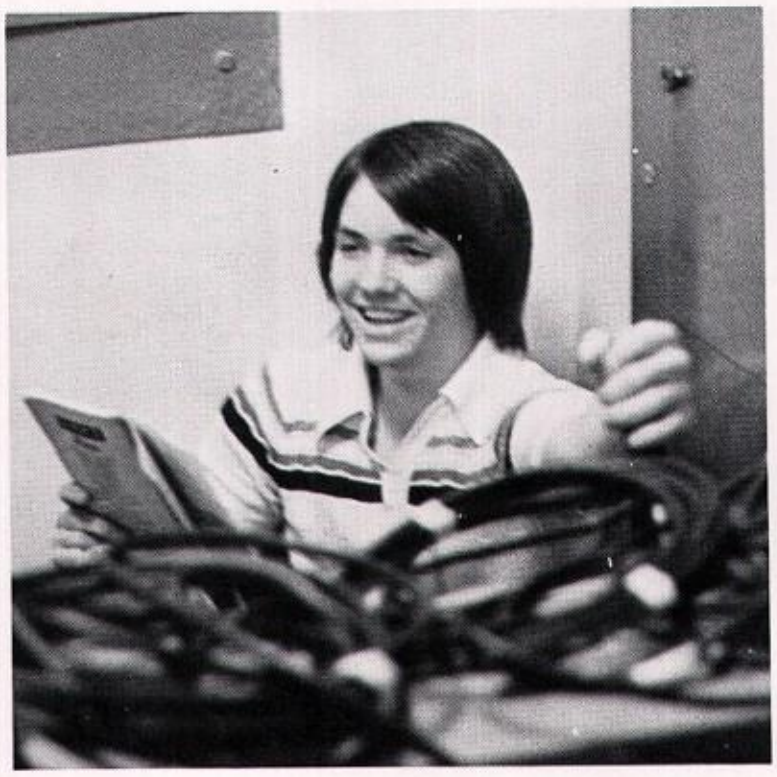
"Tevya and His Daughters"





Memorizing lines, arranging sets, making costumes and finding lost fuses presented only a part of the work put into this years play production of Tevya and His Daughters. Miss Dickenson, our new drama instructor, did a fine job of directing the actors and in turn the actors did a fine job of filling the "break jar." Over all, it was a fine effort on everybody's part and a valuable learning experience for all.

CHAOS

DA WIMOAH MOB

You might ask yourself, "How did a bunch of nice kids like these get into a business like that!" Well, it all began when we signed up for the annual staff. We spent the first four months listening to Wilkinson's lines of dribble about how to make layouts, shoot photographs, meet deadlines, sell ads, and a whole bunch of other junk nobody really cares about. As the deadlines rolled past us we began to realize this yearbook would never be finished, and we would have to be tough to face the W.V. student body next fall when they realize that there was no yearbook and five thousand bucks missing from the A.S.B. fund. So if this does get finished and you don't like it, you'd better shut your mouth or you'll get snuffed out by the mob!

INDUSTRIAL ARTS

The West Valley Industrial Arts Club consists of 33 active members, with an even number of guys and girls. We've had a fantastic year and have been involved with many activities as a club. Fund raising projects include: a concession booth at Central Washington State Fair, advertising and assembly of the Football and Basketball programs, ASB Woodcutting project, after-game dance, maintaining the pop machines, and game concessions. With the money we earned we went on a sledding party, held fun nights, provided free refreshments for all participants of the WV Invitational Track meet and sponsored the Winter Sports Banquet. In addition we took an educational and recreational trip to the State Capitol and surrounding areas. We learned a lot and had a great time!!!

The Industrial Arts Club will continue to contribute their time and energy to promotion of school spirit and pride.

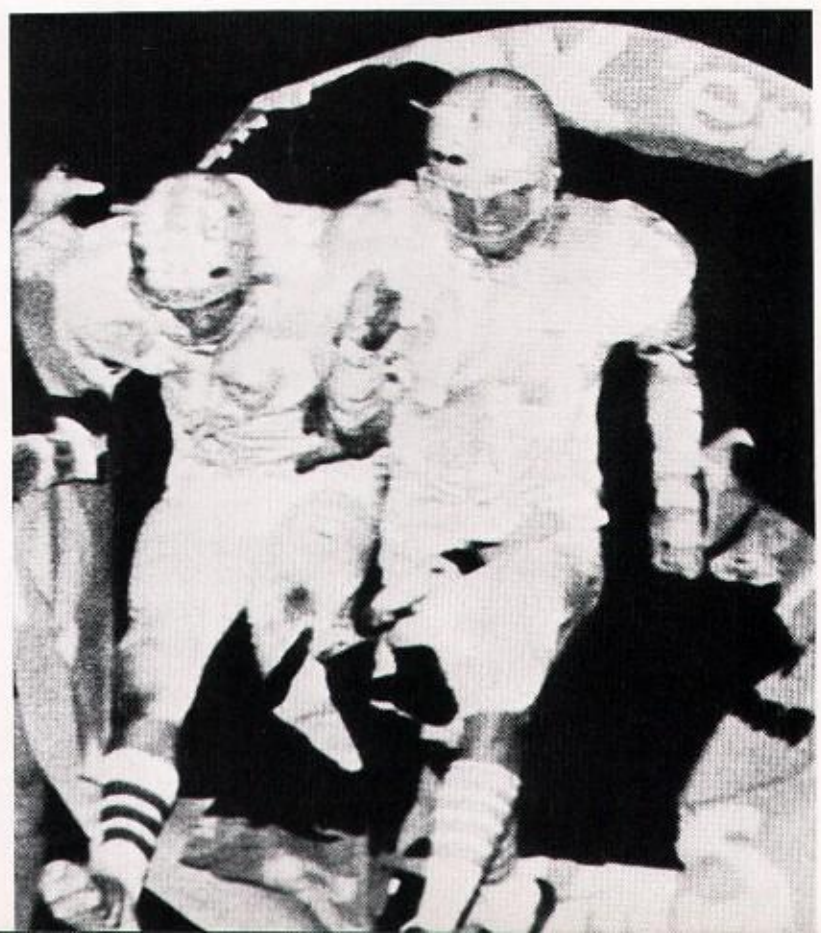
BERG



Ram Football 1975 was an exciting and unusual year. Unusual in the occurrence of a two week strike that resulted in an eventual forfeiture to Ellensburg when they refused to re-schedule the game on the last playing date of the season. Exciting in many ways; completing the season with a five game winning streak, crushing second place Toppenish in the last game of the year, out scoring our opponents 142 to 32 on the last five games, watching a young team grow and improve with every game and of course many many other things.

The team was honored at season end by having two juniors and one senior on the all league first team. Joe Headley and Ray Faucher at linebackers on defense and Mike Mckinney and Ray Faucher again on offense; Ray at center and Mike at an end. Honorable mention selections in the Tri-City paper were Dale Wakasugi at Quarterback and Kelt Morton at middle guard on defense.

Captains of this years team were Joe Headley, Karl Meier, and Mark Ratcliffe. Other senior players were: Rob Armitage, Ben Chadwick, Kely Morton, Mike Brown, Shawn Chapman, and Paul Tilley. With only 31 players on the varsity and junior varsity squad this year some of these players never got off the field from kickoff to final whistle. The perseverence in spite of the rough early going and the strike interruption was a credit to these players.

A special word of commendation is due the 15 sophomores that "took the beating" in practice to help prepare some considerably more gifted upperclassmen for Friday's game. They continued to come back and are great people.

As for the juniors: it may be a cliche' but-Mid Valley, lookout for the 76 version of West Valley Football!!!!

As two new people to West Valley, Coach Grauer and I can honestly and gratefully say, "We Love Ram football! The very best to all of you."
Respectfully, Rich Hilty, Head Coach.

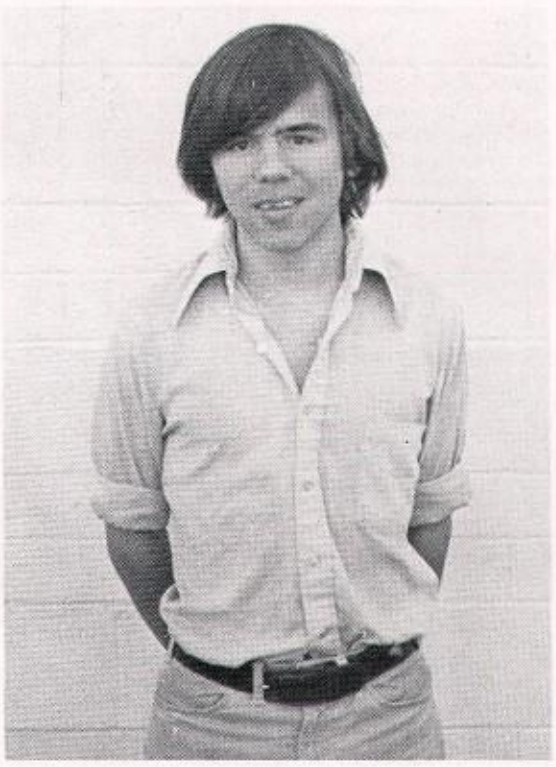
BOWLING



Frank West led the bowling team to their finest season ever. With 60 wins and 4 losses they captured 1st place and went to the state tournament. Frank had the highest average at state with a 211 average per game. He also bowled the top game of the season 289. Our girls made a better than average showing with a 4th place finish in their league. Winning 34 of their 64 games. The future looks good for the girl bowlers.

X COUNTRY

There was a new look to this years cross-country team with the addition of two girls. The boys team had a record of 5 wins, and 3 losses including surprising wins over Sunnyside, and Hanford. Consistant performances by Ron Eakin led the team to victory, including three first place finishes. Ron was also the team Captain, and missed going to state by one second. Jeff Trammell, and Terry Yeigh shared the Inspirational Award.

Though the girls were few in numbers they were strong on talent. Liz Wheel won four races during the year and represented the Rams at the State Meet. Robin Millard who also had a very good season missed going to State by just three seconds.

Hopes are riding high for seasons to come, because both teams are very young.

The Ram Cagers began their season with a series of wins and losses which would give the best of odds-makers problems. Early into league play the Rams were able to pull together for impressive wins over league leaders Sunnyside and Wapato, and went on to win 5 of their next 6 games before suffering a heartbreaking defeat at the hands of the Wapato Wolfpack before an over capacity home town crowd. The Rams recovered to win 3 of their last 4 league games, securing a berth for the District Tournament. The Ellensburg Bulldogs proved too tough for the Rams and the season was ended the first night of play.

Impressive individual performances were made during the season by Steve West who averaged 19 points a game with a shooting percentage of 49%, and was selected to the All Mid-Valley Team, the only Junior to do so.

Captain Mike McKinney was also selected to the All Mid-Valley 2nd team, leading the Rams in rebounds (8.8 per game) and was second in shooting percentage with 48%.

WRESTLING

Our wrestlers had their hands full with the competition placed before them in the Mid Valley League. They were forced to forfeit six to twelve points each match which didn't help their totals. In spite of being short handed they still won matches against Hanford, Royal, and Eastmont. Out of 15 times on the mat, Joe Headley won 10, lost 3, and tied 2. Sid Carlson and Kelt Morton both won eleven of their fifteen matches.

TENNIS

The boys had a superb season with a 7 wins and 1 loss record. Barely losing to Wapato 3-2 for the League championship. Led by the undefeated doubles teams of Mike Lytton-Jim Nagle, and Ethan Shrank-Mike Reese the team had a very gratifying season. Captain Rick Akers, and the team of Lytton-Nagle narrowly missed going to state.

The girls also had a spectacular season with an identical record of 7 and 1 capturing 1st place in the league. They were led by Lisa Sholz and the undefeated team of Billie Jean Adkisson-Christie Trammell.

The tennis team is anxiously awaiting next year's season.

Top Row, L-R: Lisa Sholz, Sherri Trammell, Kathy Heffernan, Susan Eakin, Cindy Caraway. Bottom Row: Billie Jean Adkisson, Christie Trammell.

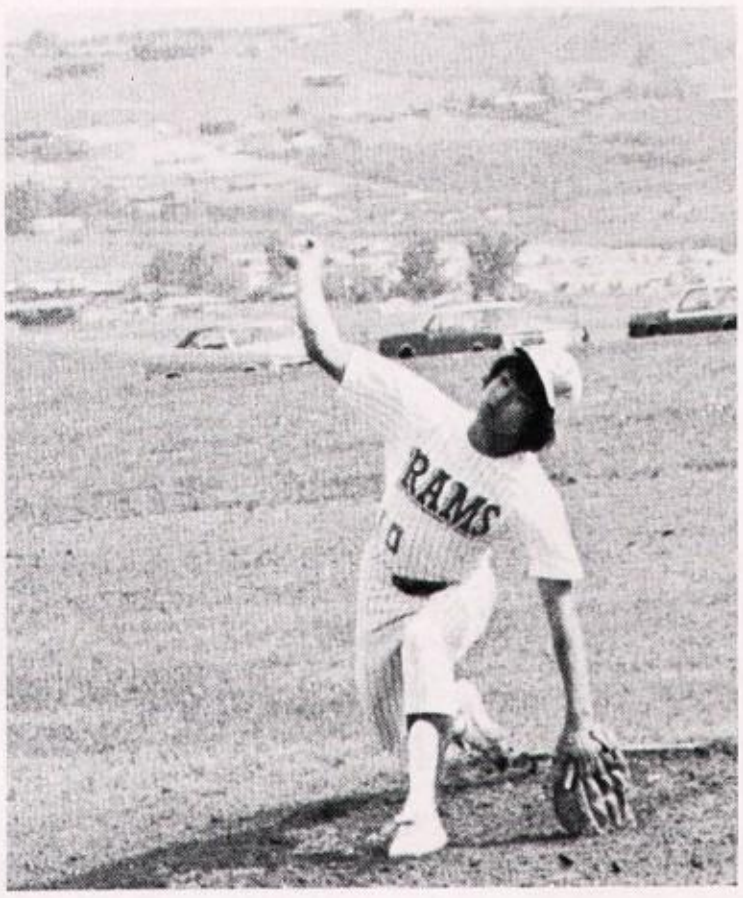
Back Row L to R: Coach Dick Welch, Ken Frick, Tom Hanks, Ray Faucher, Mike McKinney, Dan Eyman, Joe Headley, Jim Carpenter, not pictured: Ron Eakin, Jim Pederson.

Our Varsity Baseball team had an excellent season, the best finish in ten years. With a league record of 11 wins and 5 losses, an overall record of 15 wins and 8 losses, our Rams were a consistent threat to every opponent. The team batting average was a high .300 with Mike McKinney, Dale Wakasugi, and Ken Frick batting close to .400. Losing only three seniors, next spring just can't get here soon enough.



Above: Ken Frick ties into one.

TOP ROW, L-R. Coach Syatovic, Karen Moffitt, Carrie Simmonds, Beth Elander, Melanie Muesborn, Sherry Freidline, Pam Zuentenhorst, Jeri Griggs, Kelli Ives, Cindy Carraway. Middle Row: Linda Wales, Sarah Messenger, Gene Weed, Cindy Eakin, Chris Trammell, Pam Buesing, Alice Hull. Bottom Row: Heather Stobie, Vickie Ricard, Kim Buesing.

Heather Stobie was voted Most Valuable Player. She has played four years of volleyball and three of them as a varsity player. Heather was also winner of last years Captains award. Miss Syatovic says Heather is one of the top setters in the league, and plays well at every position. Heather's athletic ability is not limited to volleyball. She also excells in Basketball, and track.

Sarah Messenger was elected the teams Captain. Sarah has played four years of volleyball, and shows good leadership on the court which holds the team together. Coach Syatovic says, "Sarah has improved the most in the last four years when compared to her teammates. She is one of the better spikers, and bumpers on the team. Sarah also participates on the basketball, and track teams."

Kim Buesing was the Inspirational Award winner. She is also a senior, and has played four years of volleyball. Kim has a deadly underhand serve which baffles opposing teams. When Kim's on the court there is more team unity, whether the team is ahead or way behind. Kim also excells in basketball.

VOLLEYBALL

Volleyball is a sport which takes both team effort, and great individual skills. The team proved they had what it takes compiling a 5-4 record capturing 4th place in the league. This attributed to a great team effort and being able to come through in clutch situations.

The two-week teachers strike didn't seem to bother the teams ability to come thru. They made-up 3 games in 2 days, winning 2 out of the 3. Their five season wins included beating always tough Sunnyside, Ellensburg, and Wapato. With wins also over Prosser, and Grandview.

The J.V. team also showed they had what it takes as they went undefeated, and took 1st place in the league. The J.V. team was coached by Amilicar Portillo, West Valley's foreign exchange student.

With the graduating of only 3 seniors hopes are riding high for next year's team.

Our spikers completed their season on a new track surface and though they had a disappointing 2 & 6 record in their league some great individual performances were made. Steve West set a new school record of 43' 5½" in the triple jump. Four of our athletes went to the state meet. With Dale Cook placing 8th in the shot and Stan Shupe placed 10th in the 440. Cheryl Wishert placed a fantastic 2nd in the 440 with a school record time of 58.3, but was not to be outdone by Heidi McClimans who jumped 5' 5" in the high jump for a 2nd place showing.

Stan comes thru again.

Heather's got the winning spirit.

Good handoffs result in a victory.

Thirty-six energetic, hard hitting players made the Freshmen Football season a great success. Operating out of a Wishbone offense and a Monster defense, the Rams recorded a 3 win, two loss record. After opening the season with a 0-27 loss to Selah, the team bounced back with three straight league victories including a 14-7 win over Washington. The Freshmen lost their rain soaked season finale to Franklin 0-8.

The season's highlight was the 12-6 win over Wilson in overtime. Jim Clifton blocked an attempted Wilson field goal on fourth and five and made a gallant effort in running the ball back for West Valley before being brought down from behind on the 10 yard line. Ernie Edwards scored on an off tackle run on W.V.'s next possession to lead the Rams in their first win ever over Wilson.

The class of '79 can be very optimistic in the future of the Football program at West Valley. Their team is blessed with the desire and ability to give the Ram fans many outstanding accomplishments on the Football field.

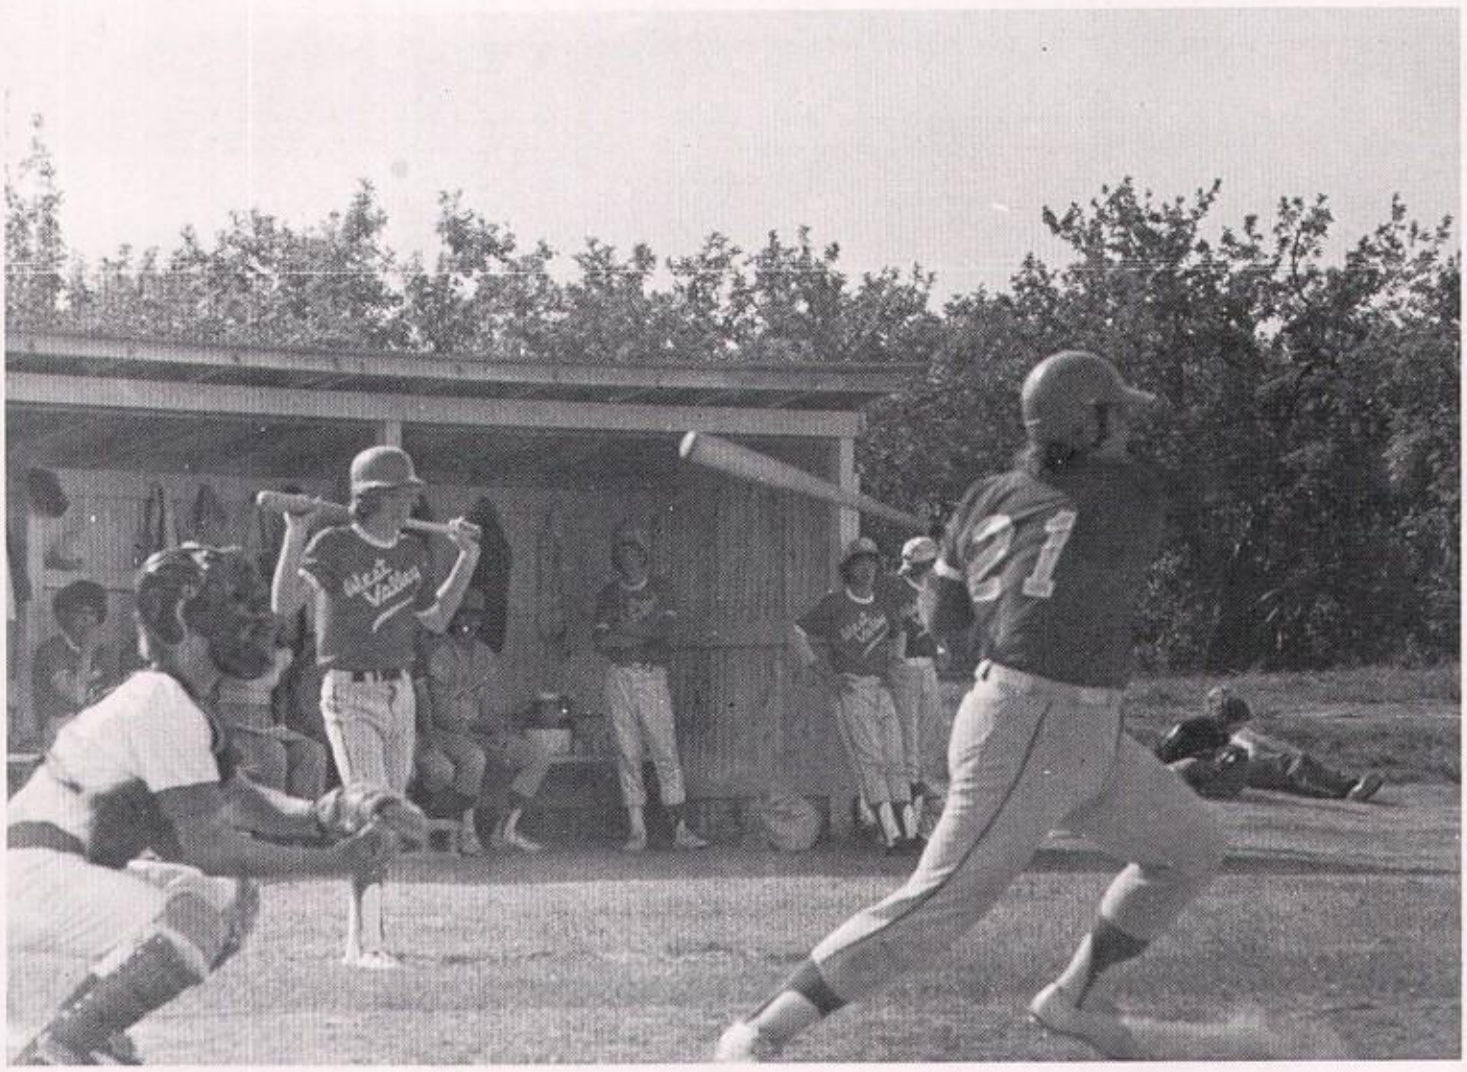
Back Row: L to R Coach, Dick Welch, Jim Clifton, Doug Kirby, Ernie Edwards, Jim Schnellman, Brad Sturgill, Jeff Bonnett, Front Row: Sam Wakasugi, Brian Sutton Ron Knight, Jake Olin, Mike Albano

Our Freshmen cagers made some fine efforts during the season, but were unable to make the showing they had hoped to. Even though their record was dominated by losses, they still managed to get it together for several victories. Union Gap fell twice to the pressure of the Rams. Coach Welch felt their second game with Wilson was their finest effort even though they lost by six points, because it represented a Great improvement over their first encounter with the Cavailiers. He said that this particular game meant more to him than the two wins.

Bottom row, L to R Greg Billups, Billy Boone, Ray Cross, Daren Jones, Mike Faucher, Tipton Widner, Chuck Cummings, 2nd row: Mike Fisher, John Hoppis, Brian Regimball, Tim Stout, Brian Sutton, Sam Wakasugi, 3rd row: Brent Clasen, Brad Sturgill, Jim Schnellmen, Mark Malland, Rich Watts, James Dusin

The Freshmen Team finished 5th with a 5-7 record. The team started out slow, winning only 1 of the first 7 games but finished very strong winning 5 of the last 7 games. The squad was led by the hitting of Tim Stout's .424 and Tipton Widners .375. Sam Wakasugi had 2 home runs, one being with the bases loaded. Tipton Widner, Rick Watts and Mark Malland also contributed with home runs. Jim Schnellman led the pitching staff with a record of 4 wins and 3 losses. Against Washington, he struck out 14 batters and allowed only 3 hits.



Any time a new principal begins to work with a student body and faculty he is naturally apprehensive. Particularly, when the school immediately evidences changes in graduation requirements and a new thinking in terms of attendance and tardy responsibilities. If those changes weren't enough, the district went through the turmoil of a complete breakdown with the resulting work stoppage, and calendar modifications that tested everyone's patience and good will.

Even with all this, no one stopped working for a better school community. Our A.S.B. organization functioned better than ever before. Our band and singing groups developed a quality such that we anticipate with pride every new competitive opportunity. Athletically, we established ourselves as a school with solid programs which promise contenders in every sport in future years.

Our pep assemblies were second to none in the valley for interest, enthusiasm and just plain good preparation. In our classrooms there emerged a greater concentration on grades, progress and learning activities. All in all the accomplishments are a fitting tribute to both the staff and student body.

To the graduating seniors, we are confident of your future success if you give the same concern for the broad community that you have shown here. We hope to become the kind of school you will take pride in for years to come as succeeding classes build on the start made this year.
